

Granite Shield™ Warranty Information

The Granite Shield sealing process for granite is under warranty for the lifetime of the sealed surface against staining to the surface. If any such staining occurs after the Granite Shield process has been applied, Granite Shield will repair and reseal the application surface at Granite Shield's expense. Flooring is under warranty for 10 years from the time of application, 5 years at 100%, years 6-10 are prorated. For warranty issues, please call toll free 877-477-3254. * Etching of marble/travertine due to acidic liquids is not covered under warranty.

Countertops: Lifetime!

Flooring: 5 years at 100%, years 6-10 are prorated. Expected wear will vary depending on hardness and texture of surface, type of area, surface wear, frequency and type of maintenance products used. Extreme weather conditions, harsh cleaning methods and high-alkaline, acidic or solvent-based cleaners will affect wear. Clean only with a neutral stone cleaner and Kleen N Seal Rejuvenate cleaner.

Glass and stainless steel: 5 years from the time of application with a monthly cleaning with Kleen N Shine Repellent cleaner.

- ❑ Granite Shield seals the surface yet still lets the stone breathe.
- ❑ All countertops are under warranty by Granite Shield for the lifetime of the stone against staining.
- ❑ The Granite Shield process will increase the resistance to scratching and etching, but does not guarantee against them.
- ❑ Granite Shield does not warranty against dirt and soil accumulation on floors. Regular cleaning will be needed to keep floors looking new.
- ❑ On marble, limestone and travertine, Granite Shield reduces, but will not prevent surface wear or etching from acidic liquids such as juice, vinegar, alcohol or caustic chemicals.
